More Misadventures from the Diabolical Duo of Double Cross and Deceit!

Secretly snoop on the Black Spy and White Spy as they wage war with their ridiculously ingenious weapons, bombs, rockets and gadgets in this special "dynamite" collection!

Page after page of stupid schemes, preposterous plots and crazy confrontations ignite their never-ending back-and-forth battles!

Idiocy is their mission!

Every fiendish encounter appears as it originally did in the pages of MAD Magazine — not a single blast, crash, smash or bash has been omitted!

Since not everything in espionage is always black and white, the mysterious Gray Lady Spy makes several devious appearances!
